

Mount Joy RC Club

Mount Joy, Pennsylvania

Mount Joy RC Club is an AMA chartered club started in Spring 2008. We welcome responsible pilots of all skill levels and support all flying styles and aircraft types (3D, Helicopters, Sailplanes, etc.)

Our field is located in a great location; we have no buildings or houses around our field... so there is plenty of room to fly your models. Guests are welcome to visit our field as long as they are accompanied by one of our members

Prospective members must have a current AMA membership. You can apply for AMA membership at www.modelaircraft.org

Field Location:

From RT230 (driving from Mount Joy on E. Main St.) turn right on Longenecker Rd. (drive about 1.8 miles) the field will be on your left

Approximate address is 844 Longenecker Road
Mount Joy, PA 17552
